RE: Distribution of Wildfire Relief Funds

---

As you may be aware, the Oklahoma Farming and Ranching Foundation is a public education foundation formed by Oklahoma Farm Bureau to enhance awareness and understanding of the importance of agriculture in our state. Following the devastating wildfires on March 6, 2017, the Foundation has received donations from generous Farm Bureau organizations, individuals and businesses from across the country to aid farmers and/or ranchers who have been impacted by the recent disaster in your area.

It is important to our donors that the relief funds received be distributed to farmers and/or ranchers that have been directly impacted by the wildfire, for example - have lost fence; grazingland or livestock; or need additional feed. Therefore, if you have endured any losses due to the recent wildfires and are interested in receiving relief from the Foundation, please complete the enclosed form and return it by **June 1, 2017** to:

Oklahoma Farming and Ranching Foundation  
Attention: Amanda Rosholt

Upon receipt of timely applications, a Committee will be formed to review the applications and issue funds in an equitable manner as quickly as possible. If you have any questions or concerns please contact Amanda Rosholt at (405) 202-1463 or for more information about the Foundation please visit [www.okfarmingandranchingfoundation.org](http://www.okfarmingandranchingfoundation.org).
